

D6.1: Public Website and Social Media Presence - initial version

M1

Edited by Jordi Cabot and Abel Gómez (UOC) on 05/10/2017

Executive summary

Initial version of the project website.

Table of Contents

Social Media Presence	5
Website URL	5
Technical information for the website	5
Initial website structure	5
Home page	5
Overview	6
Partners	7
News	7
Follow and contact	8

1. Social Media Presence

A twitter account for the project has been created. Twitter handle: [@megamart2_ecsel](https://twitter.com/megamart2_ecsel)

2. Website URL

<https://megamart2-ecsel.eu/>

3. Technical information for the website

The website is powered by [WordPress](#), the most popular content management system nowadays.

The site resides in a [WP Engine](#) (a specialized WordPress hosting provider) account administered by the UOC Partner. WP Engine offers automatic backups, automatic WordPress updates, security protection and other services that guarantee the uptime and responsiveness of the website.

The design of the website has been created with the [Divi theme by Elegant Themes](#)

4. Initial website structure

The website is currently composed of a home page, an overview page, a partners page, a news page as well as a follow and contact pages. We detailed each page in what follows.

4.1. Home page

It provides basic information on the project challenges, technical contributions and potential impact

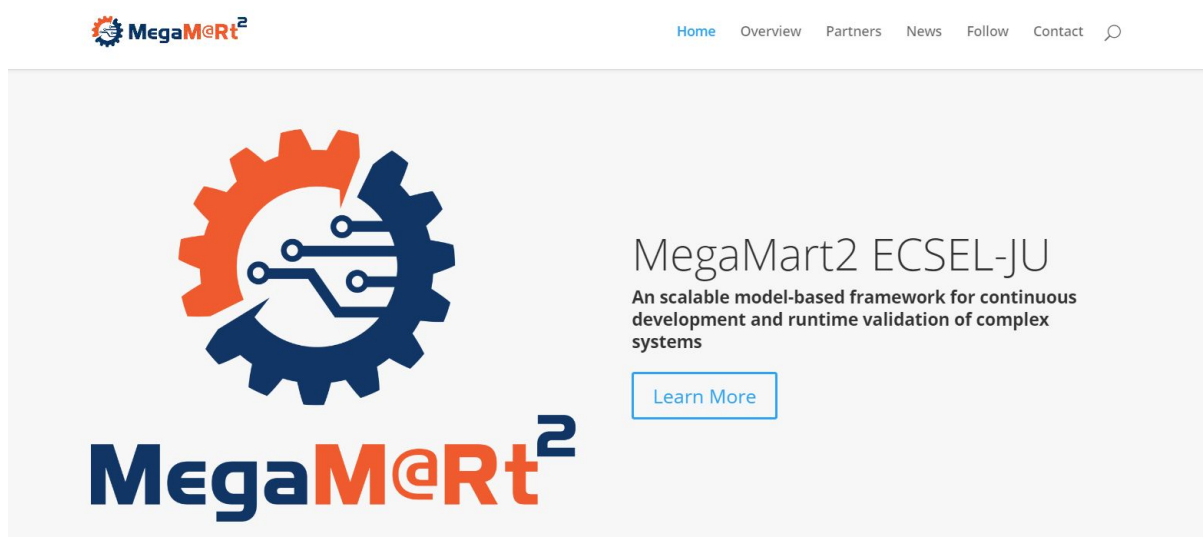

Figure 1: Home page

4.2. Overview

It elaborates on the main objectives and the technical approach to be followed in the project. This page can be used as the project abstract to provide the visitors with all the key project information.

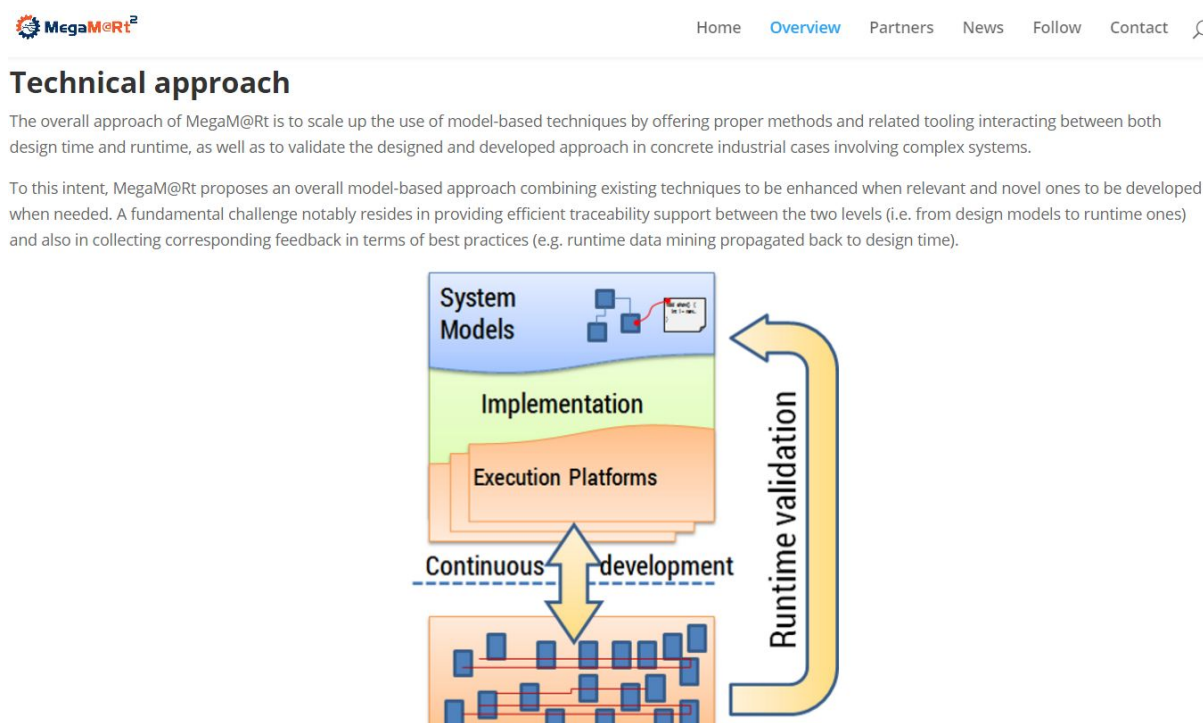

Figure 2: Overview page

4.3. Partners

It lists all project partners, grouped by national clusters.
